CHECKWRITER FOR WINDOWS - INFORMATION KIT
Document Version v2021-03

Thank you for your interest in **CheckWriter for Windows**!

CheckWriter for Windows is a Windows-based software that you can use to print check details using your PC and printer. With it, you can print checks that with a professional look, and at the same time, spare your Accounting and Management staff from worrying about tampering and common errors in check preparation. It is compliant with Philippine Clearing House Corporation Circular 15-640 that took effect January 4, 2016 instructing banks not to process checks that have corrections, and Memorandum Circular 3445 issued June 7, 2018 regarding date formats.

It is powerful and yet simple to use as you will see in the next pages. Best of all, we are offering **CheckWriter for Windows** free of charge (you only pay for Installation Service and Support). The software is fully functional, does not expire and lifetime free to use. We hope you will decide to avail of this Limited Offer.

WHAT YOU NEED

- One (1) designated Windows PC or laptop

- Compatible Printer - **CheckWriter for Windows** require a printer that can accept manual paper feed from the top.

The following are sample compatible printers:

Canon MP237	Epson L565

AnyDesk

If you meet all of the above requirements, then your Office is ready.

ORDERING

Our Standard Quote can be found at the last page of this document. You can also ask for a custom Quote, with your Company details.

OUR 100% GUARANTEE

CheckWriter for Windows has a 100% Money Back Guarantee if it does work for you as represented herein.

TESTING

In order to be able to test to your satisfaction, you will be using photocopies or each type of check you are planning to use, so you do not waste your actual checks.

If your bank is in this list, you only need to 1 or 2 photocopies – cut out the check image to match the actual size of the check.

If your bank in NOT in the list, please scan them, edit out or blacken your Account Number etc. then email us a copy, and at the same time, make 5 photocopies – cut out the check image to match the actual size of the check.

INSTALLATION PROCESS

1. We will connect via AnyDesk over the Internet. This will be a secure process as AnyDesk ID and Password must be provided by you to enable us. You will be in front of your computer the whole time, while you are on the phone with our Support.
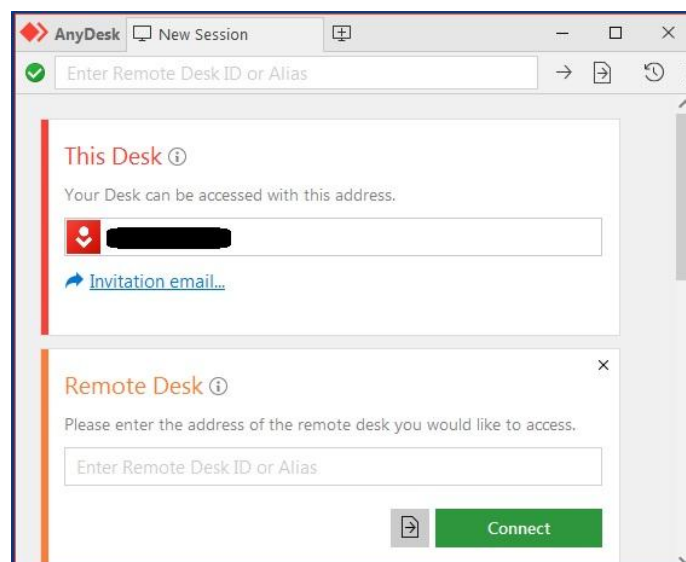

2. We will transfer the installer and do the installation and post installation clean up.

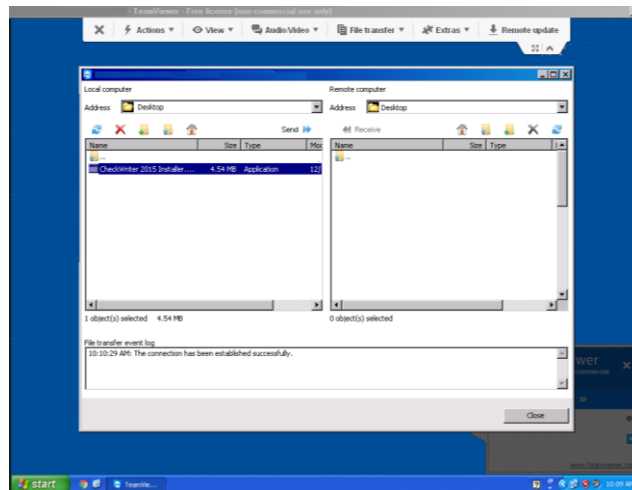

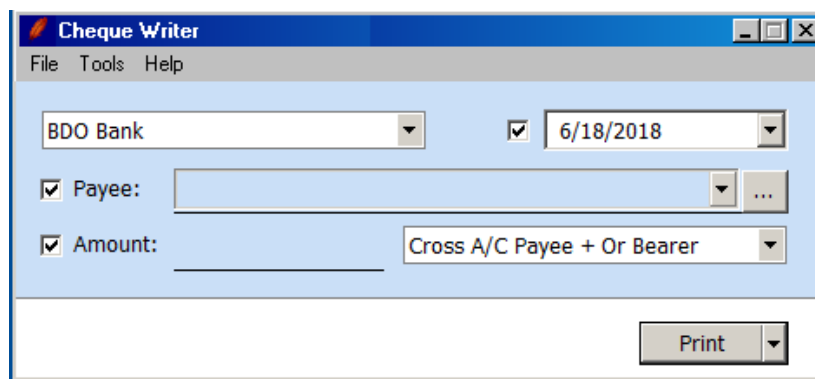

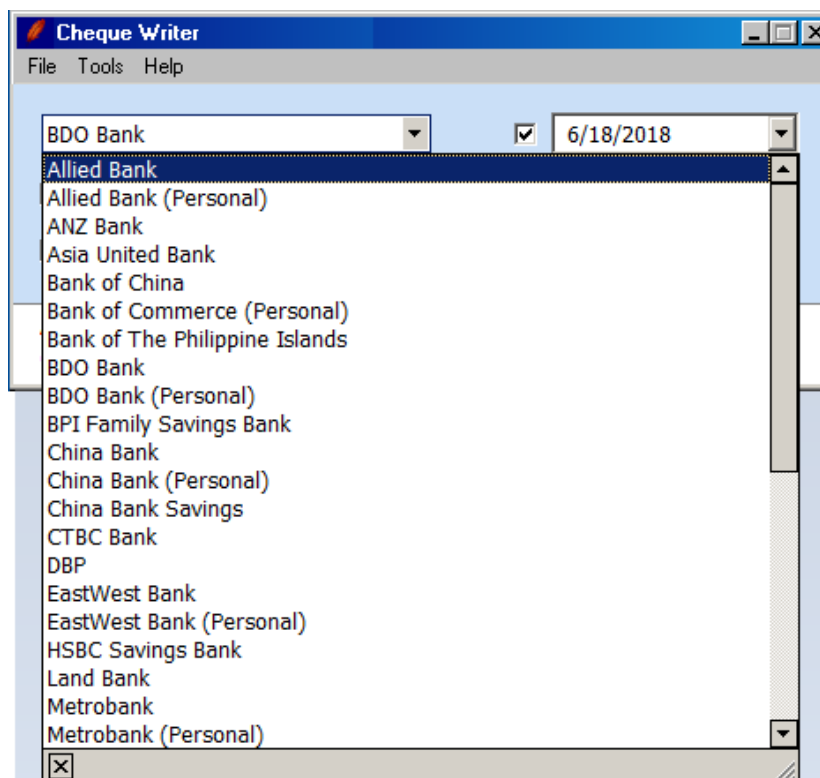

Shortcut will appear in Desktop
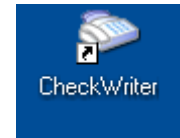

3. We can then proceed to testing using the photocopies you prepared beforehand.
